No.P6-9512/2011

Dated. 24.11.2018

To

All Chief Conservators of Forests

All Conservators of Forests

All DFOs/WLWs/WPOs/ACFs

Sir,

**Sub:** Implementation of Forestry works through contract system-Modified clarifications - issued.

**Ref:** 1. This office letter on even No. dated 22-11-2017  
2. Meeting held on 08.11.2018 in the Chamber of Hon'ble Minister for Forests to discuss the issues faced by daily wage watchers as represented by their organisation representatives.

Please refer to the letter cited, as per which certain clarifications had been issued in connection with the implementation of forestry works through contract system.

- i. As per item No.7 in reference 1 letter above, it was informed that provision for protection Mazdoor is *not required* in the estimates for nurseries & planting while tendering the works. **This instruction stands withdrawn.** A provision for engaging Mazdoors in the estimates should be included for works which are to be tendered.

- ii. Daily wage watchers may be engaged, if necessary, in the forestry works for protection of plantations and nurseries, by the department, *after* the contractor completes his work as per contract conditions from among the existing pool of watchers in the department.
- iii. It has been noted that daily wage watchers are being engaged in the field throughout the year without much justifications. New watchers engaged in lieu of the watchers made permanent by government orders issued in 2015 should be discontinued immediately.

Yours faithfully,

Principal Chief Conservator of Forests  
(Forest Management)
